STATE SENATOR PAUL DOYLE, 9th DISTRICT
In Support of SB 152 "An Act Concerning A Municipal Property Tax Exemption Program
for One Hundred Percent Disabled Veterans"

Many thanks to the Veterans Committee for raising SB 152 "An Act Concerning a Municipal Property Tax Exemption Program for One Hundred Percent Disabled Veterans".

Our constituent requested legislation that would provide an exemption from property taxes for any veteran who is one hundred percent disabled, and to require the state to make a grant in lieu of taxes to any town losing revenue as a result of this exemption.

We strongly support our veterans and their desire to fight for our country. We believe in this legislation as stated. This legislation not only supports the disabled citizens of Connecticut but the municipalities benefit as well.

We greatly appreciate your consideration, and we are willing to work with you to pass this bill. Please feel free to contact me or Senator Paul Doyle with any questions you may have.
